## Zebra HC100

- Zebra 300dpi resolution wristband printer
- Wristbands in cartridge format
- USB, Ethernet or Wi-Fi

- Genuine Zebra Wristbands
- Adult, Child, Neonate sizes
- White or Red
- Z Band Direct or Z Band Ultrasoft
- Self Adhesive or Clip

## Zebra ZD410-HC

- Ultra compact 2" label/wristband printer
- Direct Thermal
- 300 dpi resolution ideal for printing small, highly legible 2D barcodes,
- Disinfectant-ready Healthcare Plastics
- USB, RS-232 Serial, 10/100 Ethernet, Wireless (802.11 a/c), Bluetooth 4.1, Link-OS

- Interface cables (USB, Serial)
- Upgrade kits (cutter, dispenser)
- Print head cleaning pens

## Zebra QLn220 - Healthcare version

- Zebra mobile label printer
- 2" print width
- Direct Thermal
- Healthcare wipe down plastics
- USB, Bluetooth or Wi-Fi

- Genuine Zebra labels
  - Spare Battery
  - 3 Year Extended Warranty
- Various charging options :- Single charger, quad charger, single cradle, quad cradle.*

## Zebra QLn320 - Healthcare version

- 3" print width Zebra mobile label printer
- Direct Thermal
- Healthcare wipe down plastics
- USB, Bluetooth or Wi-Fi

- Genuine Zebra labels
  - Spare Battery
  - 3 Year Extended Warranty
- Various charging options :- Single charger, quad charger, single cradle, quad cradle.*

## Zebra GK420D / Zebra GK420T- Healthcare Versions

- 4" print width Zebra label printer
- Available as Direct Thermal or Thermal Transfer (with ribbon)
- 203 dpi resolution
- Healthcare plastics
- USB or USB/Ethernet

- Genuine Zebra labels
- Genuine Zebra ribbons (420T)
- 3 Year Extended Warranty
- Optional label dispenser

## Zebra ZD420-HC

- 4" print width Zebra label printer
- Thermal Transfer
- 300dpi print resolution (ideal for 2D barcodes)
- Disinfectant ready plastics
- Ribbon cartridge for easy installation/use
- WiFi, Bluetooth, field installable RS-232, Ethernet

- Genuine Zebra labels & ribbons
- Optional label dispenser & cutter
- 3 Year extended warranty

**Tablet**      **Specification**      **Accessories**

**CyberMed Rx**

- OS: Windows 10 / 8 / 7
- Intel Core i5/i7 Processors with vPro
- 10.1" display with Anti-Glare Option
- Anti microbial enclosure
- Intel Dual Band Wireless - AC7265 Plus Bluetooth
- Integrated Biometric fingerprint reader + smart card reader
- IP65 sealed
- Desktop docking station
- VESA mount

**Getac RX10H Tablet**

- OS: Windows 7 Pro, Windows 10 Pro
- Intel Core M Processor
- 10.1" TFT LCD Full HD display
- Antimicrobial surface coating
- Optional GPS /mobile broadband
- RAM up to 8GB
- Optional 1D/2D imager barcode reader
- HD webcam
- 8MP rear camera
- MIL-STD-810G and IP65
- Carry bag
- AC / Vehicle adapter
- Hand / shoulder strap
- Detachable keyboard
- Multi-bay chargers

**Motion C5m**

- OS: Windows 8.1 Pro
- Intel Core i3, i5 & i7 vPro Processor
- 10.4" XGA LED-backlit display, capacitive dual-touch input
- Integrated 1D & 2D barcode scanner optional
- Integ. smart card reader (opt)
- Rear-facing 3 MP camera, front-facing web camera optional
- Integrated GPS optional
- RAM up to 8GB
- Environment: fully sealed and IP54-rated, MIL-STD-810G
- Hot-swap battery feature
- 3 year warranty
- Desktop Dock
- Wall/Cart Mount Dock (Locking)
- Multi Unit Dock (Locking)
- Carry Cases
- Single Battery Charger
- Multi Battery Charger
- UV Cleaning Cabinet

**Zebra ET50/55 Tablet**

- OS: Windows 8.1 or Android 5.1
- Intel Quad Core 2.4Ghz Processor
- 8.3" or 10.1" capacitive display. Gorilla Glass
- RAM up to 4GB
- Optional 1D/2D barcode scanning
- 2 MP front / 8MP rear camera
- Wi-Fi, Bluetooth, USB, 4G
- IP65
- Handstrap
- Hot swappable battery
- 4-slot battery charger
- Docking options

**Sumo ST313**

- OS: Windows Embedded Std 7, 7 Pro, Embedded Std 8 or 8.1 Pro Industry
- Intel celeron and Core i7 Processor
- 13.3" LED-backlight screen with capacitive touch
- Anti-microbial enclosure
- 802.11 a/c
- Smart card reader
- Optional modules: barcode scanner, camera, RFID and 3G
- IP54-rated
- Ext. hot swappable battery
- 6 Bay external battery charger
- Desktop cradle
- Wall / vehicle mount lockable
- padded shoulder strap

**Sumo ST315**

- OS: Windows Embedded Std 7, 7 Pro, Embedded Std 8 or 8.1 Pro Industry
- Intel processing, high performance low power
- 9.7" LED-backlight screen with capacitive touch
- Anti-microbial enclosure
- 802.11 a/b/g/n
- Smart card reader
- Optional modules: barcode scanner, camera, RFID and 3G
- IP54-rated
- Ext. hot swappable battery
- 6 Bay external battery charger
- Desktop cradle
- Wall / vehicle mount lockable
- Padded shoulder strap

**Cart**      **Specification**      **Accessories**

**Medicow PC Cart**

- Lithium Ion battery powered
- Ergonomic, height adjustable with secure area for PC storage
- Supports single screen, dual screen or large screens
- Adjustable keyboard and mouse shelf
- Optional electronic height adjustment available
- 3 Year Warranty (battery warranty: 10 Years)
- Scanner bracket
- Printer mount
- Wire basket
- 2-drawer secure unit
- Gel Holder
- Sharps bin mount

**Wide Polaris ePMA Cart**

- Lithium Ion battery powered (also available as non-powered)
- Plenty of storage configurations
- Lockable drawers via key lock or digilock
- Includes 5 medbins as standard for medication storage
- Smooth, easy-to-clean surfaces
- Tablet and laptop mounts available
- 4 medical castors including 2 x braked and 1 x directional
- 3 Year Warranty
- Scanner holder
- Storage bin
- Wire basket
- Printer mount
- Sharps bin holder
- Gel Holder
- Medbins including 2 dividers

**Narrow Polaris ePMA Laptop Cart**

- Plenty of storage configurations
- Fully rotational laptop support
- Lockable drawers via key lock or digilock
- Includes 3 medbins as standard for medication storage
- Smooth, easy to clean surfaces
- 4 medical castors including 2x braked and 1x directional
- 3 Year Warranty
- Scanner holder
- Storage bin
- Wire basket
- Tablet and monitor mount available
- Printer mount
- Sharps bin holder
- Gel holder
- Medbins including 2 dividers

**Zippy Laptop Cart**

- Lightweight and highly manoeuvrable laptop cart
- Height adjustable range 400mm
- Supports up to 17.3" laptops
- Includes secure fittings to secure laptop into position
- 3 Year Warranty
- Tablet mount
- All in One PC mount
- Zippy Shelf
- Wire basket
- Scanner holder
- Printer mount

**Product** **Specification**

**Zebra TC51-HC**

**ZEBRA** 

- Pocket-size rugged touch computer
- OS: Android 6.0 Marshmallow
- 5" Capacitive touch backlit LED display
- Integrated data capture 1D/2D barcode scanner
- Rear 13 MP camera • IP67 sealed
- WiFi and Bluetooth 4.1, NFC
- Extended battery
- 5-slot charging cradle
- Rugged boot
- Trigger handle/ Hand straps

**Zebra TC20**

**ZEBRA** 

- Pocket-size rugged touch computer
- OS: Android Nougat 7.X
- 4.3" capacitive touch screen
- Integrated data capture: 1D/2D imager
- Rear 8MP camera • IP54 sealed
- Connectivity: WiFi and Bluetooth 4.2 BLE
- Push-to-talk • 1-year warranty
- Single slot / multi-slot charging cradle
- Trigger handle / RFID sled
- Power pack battery
- Holster

**Zebra MC40-HC**

**ZEBRA** 

- Pocket-size mobile computer
- OS: Lollipop 5.1
- 4.3" Capacitive Screen
- Anti-microbial disinfectable coating
- Integrated data capture 1D/2D barcode scanner
- Rear 8MP camera
- IP54 sealed
- Connectivity: WiFi and Bluetooth 2.0
- USB Sync and charging cable
- 5-slot charging cradle
- 4-slot battery charger
- Headset
- Belt holster
- Ring scanner

**MioWORK A500**

**MioWORK** 

- Pocket size rugged handheld
- OS: Android 6.0
- 5" capacitive touch screen
- Integrated data capture: 1D/2D barcode scanner
- Withstands exposure to cleaning solutions
- Rear 8 MP camera
- IP67 sealed
- Connectivity: WiFi & Bluetooth 4.1, NFC. GPS optional
- 4-slot battery charger
- Single/multi-unit cradle
- Power adapter and charging cable
- Pistol grip

**Honeywell ScanPal EDA50HC**

**Honeywell** 

- Pocket size rugged touch computer
- OS: Android 4.4.4
- 5" capacitive touch backlit LED display
- Integrated data capture: 1D/2D barcode scanner
- Withstands exposure to cleaning solutions
- 5 MP camera
- IP54 sealed
- Connectivity: WiFi and Bluetooth 4.0, NFC
- Battery
- Single charging dock
- Hand strap
- Micro USB cable

**As Zebra Premier Solution Partner**, we can offer you competitive pricing on genuine Zebra printer labels across a wide range of material types and sizes, including custom design labels for bespoke label applications, also including matching thermal transfer ribbons. We also offer the full range of genuine Zebra wristbands, resistant to solvents and hand sanitisers.

**Keyboard/Mouse** **Specification**

**Man & Machine Really-Cool**

**MAN & MACHINE** 

- Size: 38 x 14 x 1.5cm
- 99 keys including 12 function keys
- Windows, MAC or Linux platform
- Drop safe and EN60601 certified
- Fully sealed and long term resistant to cleaning with surface disinfectants, such as alcohol
- 1 year warranty

**Man & Machine Its Cool**

**MAN & MACHINE** 

- Size: 34.5 x 11.5 x 2.5cm
- Compact design with quick release cable
- 99 keys
- USB, Windows or MAC platforms
- Resistant to cleaning with surface disinfectants
- 1 year warranty

**SF09-02-v4**

**SterileFLAT** 

- Size: 40 x 13 x 2.2cm
- 104 keys
- Windows NT/XP/7/8/10
- Flat design: quickly wipes clean
- CE and FCC approved, RoHS compliant keyboard
- can be cleaned with antibacterial and alcohol based agents
- USB port: simple connection for plug and play

**SF17-02-BL**

**SterileFLAT** 

- Size: 38 x 13 x 1cm
- 104 keys
- Windows NT/XP/7/8/10
- Conventional keyboard design
- CE and FCC approved, RoHS compliant keyboard
- 3 level (blue) backlit feature
- USB port: simple connection for plug and play
- IP67 sealed

**Man & Machine Petite Cool**

**MAN & MACHINE** 

- Optical mouse with 5-button design
- USB, Windows, MAC or Linux platform
- Drop safe and EN60601-1 certified
- Fully sealed, wipe-disinfectable
- Cable length: approx.180cm
- 3 year warranty

**Man & Machine C Mouse**

**MAN & MACHINE** 

- Look and feel of a traditional scroll wheel mouse
- Fully sealed, wipe-disinfectable
- USB, Windows, MAC or Linux platform
- Cable length: approx.150cm
- 3 year warranty

**SF08-14**

**SterileFLAT** 

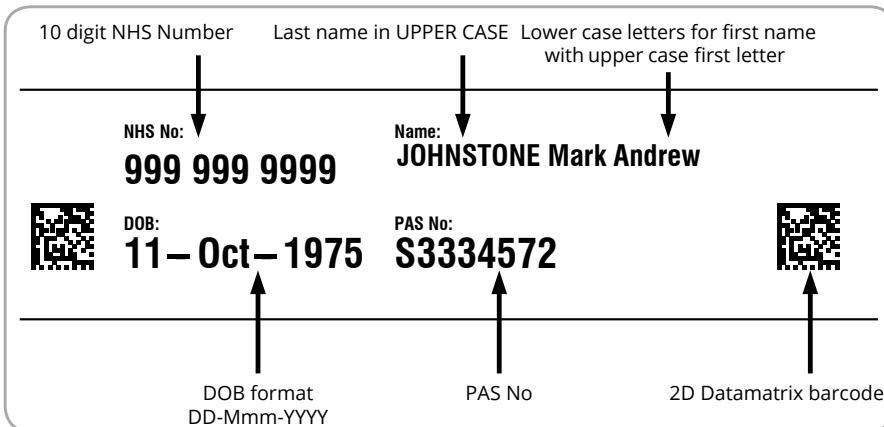

- 2-command button design
- Compatible with IBM AT, Win98/2000/XP/ Vista/Windows 7/8
- Can be cleaned with antibacterial, alcohol based agents
- USB connector
- CE and FCC approved, RoHS compliant mouse
- IP68 sealed

# We can help you implement GS1 Standards

## ✓ Patient Wristband Solution fully compliant with GS1 Standards

Dakota Healthcare is a GS1 Solution Partner. We have deployed GS1 accredited wristband solutions into numerous NHS Trusts. Our PASidMED Solution offers:

- Pain-free integration with your PAS system
- Formatted printed wristbands in accordance with the ISB1077 standard
- 2D Datamatrix barcodes containing hospital number, PAS number, hospital identifier
- Neo-natal / maternity conformance
- Contingency software for when your PAS is unavailable and you need to produce wristbands quickly
- On-site commissioning to ensure a live, working solution
- Case note labels produced with higher quality print to alleviate risk management issues

## ✓ We are proud to support the Scan4Safety initiative

- We are supporting the Department of Health e-procurement strategy to increase efficiencies and cost savings, reduce errors and improve patient safety
- Dakota is involved in projects with the 6 NHS Acute Trusts selected as demonstrator sites of excellence for the use of GS1 and PEPPOL Standards
- Early adopters are working with us to demonstrate the use of barcode printing and scanning technology for inventory management, improved patient safety through surgical instrument tracking, medical equipment management and product safety recall

## ✓ We can help you create and use Global Location Numbers (GLNs)

- A GLN is a unique number that is assigned to locations to enable them to be identified uniquely. These GLNs can be used to identify any legal, physical and functional locations
- We can help you with the creation of GLNs, and integration with your internal database(s)
- We have helped a number of Trusts with the automation of their supply chain processes, thanks to the effective use of GLNs on barcoded labels to replace manual involvement

Some of the customers we have worked with:
